

St Francis of Assisi Netball Club

2020 Winter Season

Welcome to the 2020 season of netball. This year netball will be open to both girls and boys in years 1 – 6. The year 1 players will play in the year 2 competition (as there is no year 1 competition) following the modified rules of NETSETGO. All the games are played locally at the Calwell netball courts and training is held at the school courts after school on days that suit the team coach.

Registration Fees for 2020 are \$150 for NETSETGO (Years 1 -4) and \$160 for juniors (Year 5-6). Each player will need to fill out and return to the front office a SFA personal details form. Payment and registration can only be made via my netball website no later than Friday 20th March 2020. Register and pay for your child online by one of links below:

Each team will require a coach and team manager before the start of round 1 (2/5/2020). Please consider volunteering for these roles as it can be a very rewarding experience.

TNA have rostered the Junior Rep players to umpire year 4, 5 and 6 games. Year 1, 2 and 3 teams will need to supply their own umpire at a small cost per player, I can help organise umpires if needed.

Each team will be rostered on throughout the season to run the BBQ, canteen or convenors office. These are all very easy jobs and can be shared amongst the team.

If you have any questions about the registration process, please contact me on 0432 778 267 or email on sfanetball@yahoo.com.au

Thanks
