

A Celebration of Our Furry, Feathered, and Scaly Friends @ StFA

It's virtually time to bring your beloved pets to school!

This term, we are thrilled to announce a brand-new event designed to celebrate the animals that bring joy, comfort, and laughter to our lives. While we can't have all our pets in the classroom, we invite every student to share their special companions with our school community in a fun and creative way.

How It Works

Each grade will be given its own dedicated week to participate in the Virtual Pet Showcase. During your assigned week, you'll get the chance to introduce your animal friend to everyone through a picture and a short-written story. Whether your pet is furry, feathered, scaly, or even a little unusual, we want to hear about them!

What to Submit

- A photo of your pet – Make sure your picture captures your pet's personality! If you don't have a pet, you're welcome to share a favorite animal toy or a drawing of your dream pet.
- A written story – Tell us about your animal! Share a favourite memory, a fun fact, or what makes your pet unique. Let your creativity shine! Stories can be as short as a few sentences or up to a full page.

How to Participate

1. Watch for your grade's showcase week on the timetable below..
2. Submit your pet's photo and your story to your teacher on the Monday of your scheduled week. Posters will come down on the Friday ready for the next grade.
3. Visit the BASCA window to see your classmates' posters and read their amazing animal tales!

Where Will Your Posters Be Displayed?

All posters will be proudly exhibited in the BASCA window for everyone to see throughout the term. This is a wonderful way to learn more about your friends, discover new animals, and celebrate the special bond we share with our pets.

Get Creative and Have Fun!

We encourage you to decorate your poster, use bright colors, and add fun details about your animal. The more creative, the better! This event is all about sharing, learning, and having fun together as a school community.

Let's Celebrate Our Animal Companions!

We can't wait to meet the incredible pets (and pet stories) that make our school family so special. If you have any questions, please speak to your teacher or the SRC team.

Happy showcasing!

Week	Grade Level
2	Staff
3	Yr 6
4	Yr 5
5	Kinder
6	Yr 1
7	Yr 3
8	Yr 4
9	Yr 2

With thanks,
The SRC
